

CORE VALUES

Knowing and obeying God's word
is fundamental to all true success.

Read Psalm 119:1-32

1. Make a list of the different things that the Word of God can do for us.
Which of those things do you need the most right now?
2. Verses one and two begin with the word 'blessed'.
What do you think that word really means?
3. Think about verse 32. How does this encourage you to think differently
about God's commands?
4. Put the following phrases in what you believe is their proper order.
Are there times when this order might change?
Love the Word / Learn the Word / Live the Word
5. Is there an area of your life that God is trying to speak into?
What changes do you think he may be asking you to make?

Memorize the following verse:

I have hidden your word in my heart
that I may not sin against you.
Psalm 119:11
